## General

### Opening times for events

Our exhibitions will be opened especially for your guests during your event. Depending on the number of guests, one or several museum employees will be at your disposal. For more information, see [www.verkehrsmuseum-dresden.de](http://www.verkehrsmuseum-dresden.de)

### Catering/sound/security

We recommend catering and sound engineering companies who are familiar with the museum. The caterer will bring everything you need for your event including furniture and equipment. We would be happy to send you a list of companies. Of course you are free to choose your own service provider after consultation with us. Our contract partner for security can be booked separately.

The Transport Museum at Dresden's Neumarkt square

## The world of mobility as the perfect venue

Make your event a unique experience in Dresden Transport Museum: The "Johanneum" situated between the Royal Palace and the Frauenkirche provides the perfect setting for your event. The former stables, where prince electors and kings once "parked" their horses and coaches, are now home to a fascinating variety of vehicles. The "English stairs" offer your guests a grand welcome.

### Overview of function rooms:

Raum	Nutzfläche
■ Foyer, ground floor	100 m <sup>2</sup>
■ Atrium, ground floor	300 m <sup>2</sup>
■ Railway exhibition, ground floor	150 m <sup>2</sup>
■ Air traffic exhibition, first floor	270 m <sup>2</sup>

The ambience of the central atrium is impressive

### LOCATION 1 Atrium

The atrium at the heart of the Johanneum on the ground floor is an ideal location for events of all kinds. Large windows offer glimpses of the museum's exhibitions on the history of mobility: The adjacent vaulted halls are filled with impressively designed displays on road transport and the railways.

### LOCATION 3 Air traffic exhibition

Welcome your guests in our impressive air travel exhibition set in probably the most beautiful room in the building with views of the Neumarkt. Embark on a thrilling journey through 200 years of aviation history. Your guests will enjoy an unforgettable evening in the company of deceptively realistic models of aviation pioneers. The walk-through gallery is ideal for a stroll.
